

Judith P. Ford.

Judith P. Ford MD is a board certified physician in Internal Medicine who has been seeing adult patients in office and hospital settings for over 11 years. She cares for a large panel of patients with chronic medical illness such as diabetes, hypertension, and cardiovascular disease and has experience with all the major fee-for-service and managed-care insurance carriers in Clark County including Medicare and Medicaid. She was recently named one of Las Vegas' "Top Doctors" in the May 2011 issue of Las Vegas Life Magazine.

Dr. Ford completed her Internship and Residency at Beth Israel Deaconess in Boston, Massachusetts where she served as a Clinical Teaching Fellow for Harvard Medical School. While in Boston, Dr. Ford sat on the Spaulding Rehabilitation Advisory Committee and the Sommerville Charter School Advisory Committee as well as serving as a Clinical Instructor in Medicine for Tufts University School of Medicine.

Dr. Ford is a native of Connecticut and attended Boston College for her undergraduate degree in biology and the University of Connecticut for her degree in medicine. She has been married to her husband Chris for 14 years and they have two young daughters. Dr. Ford enjoys running, yoga and travel.
